WEBB PANELS

THE WEBB PANEL SYSTEM In today's fast-paced work environment, optimizing productivity by allowing teams to collaborate while still offering personal havens for employees is crucial. Panel systems provide the ideal solution: from team collaboration zones to individual workstations, these versatile panels create a seamless balance between privacy and interaction, ensuring employees can thrive in their designated spaces.
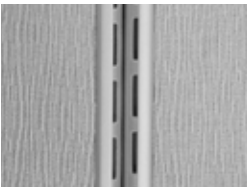

6-Person Webb Panel System featuring panel supported worksurfaces and storage.

Webb Panel System features 2" thick panel with thin contemporary base.

Webb Panels available in 39", 53" and 67" heights.

Slotted Tracks
Work-surfaces and storage components mount to slotted tracks that run the entire height of every panel.

Raceways for Network Wiring
The raceways are plastic snap-on and are approximately 5" tall — to accommodate plenty of network wiring. The electrical system is an 8 wire, 4 circuit system, with an isolated ground circuit available.

Wedge Block Connections
Webb Panels have metal to metal, industry standard, wedge block and draw rod connections.The stability meets industry standards, and is a UL recognized product.

Contemporary Bases
Webb Panels boast thin, contemporary bases.

Designer Fabric
Webb Panels feature neutral gray fabric with gray/silver edge trim.

Webb paper flow mounting bars can mount at any height on the panels

Free standing Webb Panels shown with Elements Plus Laminate Series Height Adjustable Workstations.

Free standing Webb Panels shown with Encore Collection Workstations and Classic Laminate Storage.
